PROFESSIONAL EXPERIENCE

- **Microsoft** | Software Engineer August 2024 – Present
 - Delivered Copilot Pages and Notebooks experiences in Microsoft 365 Copilot, Teams, and Loop iOS apps.
 - Built Copilot Notebook Sharing, enabling users to share references and instructions to unify their AI-generated content.
 - Increased return rate of Copilot Pages users by building Pages functionality in the Microsoft 365 Copilot app, giving users the ability to easily recall their recent pages created from Copilot Chats and Notebooks.
 - Drove MAU retention/growth by ensuring monitoring and observability of Copilot Pages and Notebook scenarios Microsoft 365 Copilot (100M), Teams (300M), and Loop (25M) iOS apps.
 - Unblocked Loop product adoption by S500 companies by building support for Microsoft Purview Information Protection.
- **Microsoft** | Software Engineering/Product Management Internships Summer 2022 & 2023
 - Deployed Swift and Objective C++ solutions to create functional UI for Push Notification settings within Microsoft Loop iOS.
 - Overhauled cross-platform code to ensure universal styling and functionality across Microsoft Office products.
 - Developed functionality to onboard new notification signals and alert users of these newly available notification types.
 - Applied TypeScript React and Redux to implement redesign pages within now-decommissioned Microsoft Answers.
 - Utilized C# and .NET CORE to build worker process for newly designed Content Scanner to be applied to all site content.
 - Authored and presented project specifications and designs for review based on requirements investigations.

EDUCATION

- **Vanderbilt University** | Nashville, Tennessee & Madrid, Spain Class of 2024
 - Bachelor of Science in Computer Science, Minors in Engineering Management, Data Science.

OTHER INVOLVEMENTS

- **Rehders Photos** | Freelance Photographer and Videographer 2020-Present
 - Produced comprehensive photo/video content for clients nationwide, specializing in electronic music events and sports.
 - Coordinated logistics when documenting artists' tour stops and festival appearances, capturing on-stage and behind-the-scenes moments and delivering in a timely manner.
 - Provided content for usage on social media, websites, and promotional materials such as Spotify banners and tour posters.
 - Traveled for coverage of ARC Music Festival, Lollapalooza, Bonnaroo, College World Series, March Madness, College Football Playoff National Championship, as well as various regular season MLB/NCAA games.
- **Swipes for a Cause** | Co-Founder and Public Relations Manager 2020 – 2024
 - Donated \$3,000 of meals weekly during Fall 2020 by establishing excess meal donation program.
 - Restructured program for Campus Dining partnership, collecting 5,000 meals and \$2,000 of cash donations per semester.
 - Coordinated all communication with media outlets and university, securing meetings to establish university partnership.
- **Vanderbilt Data Science Institute** | Project Management Assistant 2021
 - Managed 4 fellows utilizing R and Shiny for R Studio on a Data Science for Social Good 10-week summer fellowship.
 - Implemented Agile methodologies, executed weekly sprints, and communicated regularly with project benefactors.
- **U.S. House of Representatives** | Congressional App Competition Manager, Office of Kevin Brady 2019 & 2020
 - Supervised team of 4 interns in campaign promoting Congressional App Competition to local high schools.
 - Aggregated GIS and contact information into script to send invitation to 60,000 students at 60 district high schools.
- **The Vanderbilt Hustler** | Photography Director 2020 – 2024
 - Photographed events, sports and more, resulting in 300+ assignments and 5+ visual essays for the student publication.
 - Ensured consistent photograph quality across the staff by teaching Adobe Lightroom for post-processing images.
- **Theta Tau Professional Engineering Fraternity** | Professional Development Chair 2023 – 2024
 - Partnered with the NSF Mid-South Innovation Corps Hub to host the first annual Innovation Summit on Vanderbilt campus.
- **Vanderbilt Student Government** | Campus Life Vice Committee Chair 2020 – 2022
 - Created Dining Student Advisory Committee, promoting input of student voices during Campus Dining decision making.
